Application No. 10/560,759	:	DECISION ON PETITION
Filed: April 24, 2006	:	
Attorney Docket No. 15258-000031/US	:	

This is a decision on the petition under 37 CFR 1.137(b), filed May 27, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice of Non-Compliant Amendment mailed July 14, 2008, which set a period for reply of one (1) month or thirty (30) days, whichever is longer. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on August 15, 2008. A Notice of Abandonment was mailed March 17, 2009.

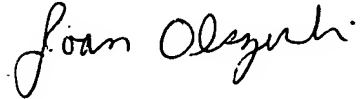

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an Amendment, (2) the petition fee of \$810.00 and (3) a proper statement of unintentional delay.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the **entire** delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

The address given on the petition differs from the new address of record. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-7751.

The application file is being referred to Technology Center AU 2831 for appropriate action on the concurrently filed amendment.
